St. Michaels, Navajo Nation - The Navajo Nation Human Rights Commission supports the community of Nahata Dziil in efforts to oppose Gary McDonald's liquor license in Sanders, Arizona.

Currently NNHRC is discussing the possibility of requesting a hearing with the Arizona State Liquor Board. The hearing will help the community of Nahata Dziil express their concerns and problems of having 3 liquor establishment in and adjunct to the community.

The Navajo Nation Speakers Office has retain the legal services of Lewis and Roca Law Firm to assist the Task Force with addressing the legal standards in Title IV-§210 that provide grounds for considering the non-renewal of a license.

The NNHRC is requesting the public who maybe or witness any suspicious activity at the liquor store to call the NNHRC office.
